ARMIN NATAJ

Full-StackDeveloper | React.js & Next.js & TypeScript | Node.js, Django & .NET | Wordpress
Tehran,Iran | natajarmin@gmail.com | +98 990 682 1298 | arminnataj.ir | github.com/13Armin85 | linkedin.com/in/armin-nataj

PROFESSIONAL SUMMARY

Full-StackDeveloper with hands-on experience building and maintaining end-to-end web applications across React.js and Next.js frontends and Node.js, Django/DRF, and C#/.NET backends. Skilled in RESTful API development and integration, client-server data flow, responsive UI engineering, debugging, and performance optimization. Experienced with Microsoft SQL Server, IIS, Docker, Git, and Agile delivery, with a strong focus on clean, maintainable code and reliable user experiences.

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), TypeScript, C#, Python, SQL, HTML5, CSS3
- **Frontend:** React.js, Next.js, Tailwind CSS, Redux, Responsive & Mobile-First Design
- **Backend & APIs:** .NET / C#, Node.js, Django, Django REST Framework, RESTful APIs, WordPress
- **Database & Infrastructure:** Microsoft SQL Server, IIS, Docker
- **Tools & Delivery:** Git, Azure DevOps (TFS), Jira, Figma, Adobe Photoshop
- **SEO & Analytics:** SEO Optimization, Google Search Console, Google Analytics

PROFESSIONAL EXPERIENCE

Full-Stack Developer - Amard, *Amol, Iran* May 2025 - Present
- Develop and maintain React.js and Next.js interfaces alongside C#/.NET backend services and RESTful APIs.
- Troubleshoot client-server data flow, API integration, and application defects across the full stack.
- Refactor reusable components and responsive layouts to improve performance and cross-device consistency.

Full-Stack Developer - ISIRAN, *Tehran, Iran* Dec 2024 - May 2025
- Connected React applications to Node.js services by building, consuming, and validating RESTful API workflows.
- Improved server-side logic and clarified data flow between frontend components and backend services.
- Reduced maintenance overhead through reusable components and structured full-stack debugging practices.

Full-Stack Developer - Parand Tech Group, *Tehran, Iran* May 2025 - Dec 2025
- Built and maintained responsive web features integrated with backend services and APIs.
- Resolved cross-browser rendering and client-server integration issues using JavaScript, Flexbox, Grid, and Media Queries.
- Optimized application interfaces to maintain stable performance during continuous product updates.

Full-Stack Developer - Iran Fava Gostaresh, *Tehran, Iran* Sep 2024 - Apr 2025
- Implemented complex business logic in React.js and Next.js and integrated it with backend REST APIs.
- Collaborated across the stack to ensure accurate, timely data exchange between services and user interfaces.
- Diagnosed performance bottlenecks and improved page-load speed and application reliability.

WordPress Developer - Iranian Etemad, *Tehran, Iran* Jun 2024 - Nov 2024
- Delivered custom WordPress themes and plugins for e-commerce and corporate websites.
- Improved SEO, site speed, reliability, and ongoing maintainability across multiple client projects.

Programming Intern - Amard, *Amol, Iran* Jul 2022 - Aug 2023
- Built small desktop applications and strengthened foundations in OOP, debugging, clean code, and the SDLC.

KEY PROJECTS

- **Municipality Management System** - Online platform with property registration, inquiry, and administrative workflow modules.
- **Shop (Next.js)** - E-commerce storefront built with Next.js and TypeScript, including product listing and checkout flow.
- **Member Management App** - TypeScript application for managing member records and profiles.
- **Personal Portfolio** - React and TypeScript portfolio showcasing projects, technical skills, and experience.

Selected WordPress Projects: berkehketab.ir, iranianetemad.ir, negahhospital.com, amardco.com, raeesiedu.com, 19-16.ir, ninielma.com, stpilates.ir, goldaneh.ir, paionco.ir, teknololeh.ir, zarabannoor.com

EDUCATION

Bachelor of Electrical Engineering - Islamic Azad University, Central Tehran Branch | 2024 - Present
Diploma in Mathematics & Physics - Tehran | 2020 - 2023

LANGUAGES

Persian - Native
English - Advanced (Written & Spoken)

SOFT SKILLS

Problem Solving & Analytical Thinking • Team Collaboration & Agile Workflow • Effective Communication • Adaptability & Continuous Learning • Time Management
